## Bone Marrow Drive

**At the Asian Pacific Festival**

- When:** 6/12/2004 (Saturday) 11 a.m. to 5 p.m.
- Where:** Asian Pacific Festival at the South Towne Exposition Center in Sandy.  
9575 South State Street, Sandy
- Who:** Everyone age 18 to 60 is welcome to register his or her bone marrow type. Due to funding limitation, AADP will cover the cost of the HLA tissue typing (lab fees) for ethnic minorities only; Caucasians are required to pay from \$25 to \$96 depending on availability of funds.
- Why:** Because there are so few minority bone marrow registrants -- for example, only about 6.5% of the nation's registrants are Asians, it is extremely challenging for an Asian to find a match. By organizing drives, **we may be able to find some matching donors and save some lives.**
- How:** Please let us know if you or your organization can help by sponsoring or donating money for the drive, volunteering your time, spreading the message about the drive, or registering your bone marrow type during the drive.
- More Info:** Please go to **[www.marrows.org](http://www.marrows.org)** or **[www.aadp.org](http://www.aadp.org)** for more information about bone marrow drives, including the simple procedures and Q&A in many languages.
